

## Developing Multi-dimensional Leaders III

### “Relationship”

Why did people relate to Jesus? Why did people follow Jesus?

Why was Jesus attractive to people?

*KJV Matthew 7:28* And it came to pass, when Jesus had ended these sayings, **the people were astonished at his doctrine:** <sup>29</sup> For he taught them as one having authority, and not as the scribes.

Jesus spoke and acted with authority.

### I

Jesus redefined authority and the direction of authority. *Vs 29*

The gospel redefines the nature of power and the goals to which it is directed.

Authority is not to oppress people.

Authority from God is to help and liberate people.

### II

The scribes derive their authority from their knowledge and training. *Vs 29*

The scribes derive their authority from their association with the politically and religiously powerful chief priests.

They exhibit their authority with power over people's lives.

But Jesus' authority is not based on birth (the priests), training and knowledge (the scribes), or wealth and birth (the elders).

Jesus derives His authority from His commission by God.

Jesus authority is expressed in His words and actions.

During this season we must have words and actions.

### III

Multidimensional leaders speak, act and demonstrate.

Jesus came to share power.

- *Leaders who hold power and control with power, will lose power.*

**Luke 10:19** Behold, **I give unto you power** to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

During this season remember you have power over demonic forces.

*Amp Acts 1:8* **But you will receive power and ability** when the Holy Spirit comes upon you; and you will be My witnesses [**to tell people about Me**] both in Jerusalem and in all Judea, and Samaria, and even to the ends of the earth."

Our power is the same Holy Ghost Jesus has.

- The power is activated when we go.
- The power is demonstrated as we tell others about Jesus.

*Multidimensional leaders go with power to the ends of the earth.*
