

IT'S TIME FOR A FRESH ANOINTING OR FRESH LUBRICANT

As for you, the **anointing** that you received from Him abides in you, and so you do not need anyone to teach you. But as his **anointing** teaches you about all things, and is true and is not a lie, and just as it has taught you, abide in him. *1 John 2:27*

What is an Anointing?

Anointing is defined as consecrating or making sacred. To rub with oil.

What is oil?

Oil is defined as a **lubricant**, a fuel, an **essential** oil.

In other words, it is necessary. The Holy Spirit is defined in the WORD of God by many different characteristics, words, emblems, and attributes. One of the characteristics the WORD of God uses is anointed oil. Thus, the Holy Spirit today, for this time and space, will be referred to as the Anointed, Oil, Holy Spirit interchangeably.

Walk in your Anointing.

Our Bishop started early this year, providing us with the theme: Our focus is on the HOLY SPIRIT: His Person, His Power, and His Presence, and His Provision. that for us to stay alive must stay. Salvation puts us back with God. God sustains us, supports us, strengthens us mentally physically. The Blood that runs in our veins lubricates and provides life to every area of our being. When we surrendered our lives to Jesus, the Holy Spirit's anointing covered all our **impurities and shortcomings**.

Jesus wants us to walk in the anointing that he has placed in each of our lives. We cannot transition into what God wants us to do this year without increasing our knowledge of how the HOLY SPIRIT OPERATES.

This anointing provided thru the Holy Spirit helps us to stay **focused**. The Holy Spirit wants you to fulfill your **purpose**.

The Creator's manual, or Christ operating manual, wants us to **commune** daily with Jesus Christ and in his **Word**.

As God's children, the Holy Spirit must be a continuous **FLOW**.

What is a continuous FLOW?

A Flow is defined as moving along in a steady, continuous stream of something.

Failure to flow together will only slow down the progression of the church. Remember, we are the church. We only come to this building to worship together in spirit and truth. So, allow the holy spirit to flow, to lubricate to increase the flow and power of the Holy Ghost.

Remember that our life is not our own, but it belongs to Jesus. And permit the anointed oil to fill every empty place in our spirit, mind, and soul. Jesus desires to see signs and miracles operate this year here as Rhema as we study the incredible working power of the Holy Spirit.

Open your **hearts and minds** to receive his unlimited anointing oil power and prepare to **move**. No longer stagnant.

“Then the kingdom of heaven will be like this. Ten bridesmaids^[a] took their lamps and went to meet the bridegroom.^[b] ² Five of them were foolish, and five were wise. ³ When the foolish took their lamps, they took no oil with them; *Matthew 25: 1-3*.
