

The Person of the Holy Spirit - The Influencer

Those of you who are on any social media platform know the word influencer is trending. Social media influencers have become the norm in every mountain, including the Religious.

Most people desiring to be influencers on social platforms seek popularity, money, or both; either way, it is for personal gain.

As Christians, we must recognize “The Influencer” as the person of the Holy Spirit who helps us grow in Christ.

The Person of the Holy Spirit, the Provision of the Holy Spirit, the Presence of the Holy Spirit, and the Power of the Holy Spirit is our Influencer.

The Holy Spirit as Influencer defined: He has the power or capacity to cause an effect in indirect or intangible ways; an emanation or release of spiritual force.

Form or shape are synonyms of the word influence. Genesis chapter 1 speaks directly of the Spirit moving and forming/influencing nothingness into God’s great creation with the spoken word.

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. Genesis 1:2 And God said...

The earth was without form and void – so the earth was without influence, it was chaotic, and the Spirit (Ruach) of God moved to bring order. The Holy Spirit, the Influencer, effectively responds to the word of the Lord and creates from the essence of the word of God.

And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore, that holy thing which shall be born of thee shall be called the Son of God. Luke 1:35

What does God want the influencer to create in you?

We must follow the influence of the Holy Spirit to acquire and maintain order. As we follow the Holy Spirit, the Influencer, we can expect the Holy Spirit to move on our behalf.
